Passionate web developer with modern skills and a strong dedication to creating user-friendly, visually appealing websites. Experienced in building responsive and engaging web solutions, I continuously strive to enhance my skills, aiming to succeed and grow in the IT field. I am committed to delivering high-quality work and eager to learn more every day.

EXPERIENCE

WEB DEVELOPER INTERN

Digital Wolf | Kolkata, WB

JANUARY 25 – MARCH 25

WEB DEVELOPER

MARCH 25 – PRESENT

As a Web Developer, I built 5+ responsive and user-friendly websites using HTML, CSS, JavaScript, and React.js, resulting in a 20% improvement in page load times. I collaborated with a team of 3+ developers to enhance user experience, tested and debugged code to ensure 100% cross-browser compatibility, and applied responsive design principles to optimize performance across all devices. I also utilized Git and GitHub for version control and explored new technologies to improve existing solutions and maintain modern design standards.

EDUCATION

- **Bachelor of Vocation (B.Voc)** in Fisheries – Asutosh College.
- Higher Secondary – West Bengal Council of Higher Secondary Education.
- Certificate in **Web Design Pro** – Moople Institute of Animation and Design.
